

2023

TW200

Radical Gray

## TOP FEATURES

### 1. Terrain-Conquering Tires

Big fat tires deliver great traction and rider comfort over a wide range of terrain, and they make the TW200 the most distinctive looking dual-purpose machine around.

### 2. Low Seat Height

A low seat and compact chassis help inspire confidence in anyone who rides the TW200, making it one of the most user friendly on- and off-road bikes on the market.

### 3. Electric Start

Fully equipped for the street or the trail including a worry-free electric start, the TW200 is super convenient to ride just about anywhere you need to go.

TW200

## FEATURES & BENEFITS

### ENGINE

#### Torquey Powerplant

The strong-pulling 196cc air-cooled, four-stroke single delivers torquey low- and mid-range power that's perfectly suited for off-road exploring.

#### Five-Speed Transmission

A smooth-shifting five-speed transmission with manual clutch puts usable power to the ground for maximum on- and off-road performance.

#### Smooth, Counterbalanced Engine

An internal engine counterbalancer keeps vibrations down for greater all-day comfort.

#### Digital Ignition

Maintenance-free CDI ignition system ensures precise, reliable spark for peak engine performance at any rpm.

#### Electric Start

The push-button electric start makes for easy and reliable starting.

#### Low Maintenance Engine

Automatic cam chain tensioner means minimal maintenance and longer engine life.

### CHASSIS/SUSPENSION

#### Plush, Long-Travel Suspension

A 33mm telescopic front fork with 6.3 inches of travel soaks up the bumps for a plush ride.

#### Terrain-Conquering Tires

Fat 130/80-18 front and 180/80-14 rear tires provide excellent traction, and control to make conquering all types of challenging terrain easy and fun.

#### Lightweight Swingarm

Lightweight box section swingarm and single rear shock with 5.9 inches of travel enhance handling and overall comfort both on- and off-road.

#### Disc Brake

Hydraulic front disc brake ensures greater stopping power with less effort.

### ADDITIONAL FEATURES

#### Comfortable Saddle

Long, two-tone, motocross-style seat creates a balanced riding

#### Protective Fenders

The durable and wide front fender keeps water, mud and dirt off the rider.

#### Passenger-Ready

Spacious seat and passenger foot pegs provide two-up riding capability.

#### Bright Illumination

Enduro-style, 60/55-watt halogen headlight features high and low beams.

#### Dual Sport Lighting

Flex-mounted turn indicators offer greater durability against breakage.

#### Fork Protection

Durable fork shrouds help prevent rocks and debris from damaging fork sliders.

#### Complete Instruments

Full instrumentation including speedometer, odometer, resettable trip meter, indicator lights for neutral and high beams, plus turn signals come standard.

#### Modern Battery

Dependable, low-maintenance battery.
